

# Mastermind Retreats for Women

The Mastermind Retreat for Women in Business is an intimate, all-inclusive retreat with a group of 4-6 carefully selected participants who want to collaborate, share ideas, and collectively work on solving challenges. We will engage in strategic discussions, brainstorming sessions, and problem-solving activities.

Your 3-day experience is hosted at the stunning Loon Song Cottage on Wollaston Lake, a perfect location for inspiration in an environment that encourages creativity and collaboration. You will have plenty of time to enjoy everything the property offers while rejuvenating your mind, body and soul.
